To: The Shareholders of Dutch Lady Milk Industries Berhad

Dear Sir/Madam,

PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE ("PROPOSED MANDATE")

1. INTRODUCTION

At the Fifty-Second AGM held 27 May 2015, the Company obtained a mandate from its shareholders to enter into the RRPT with Related Parties which are necessary for its day to day operation and are in the ordinary course of business based on normal commercial terms which are not more favourable to the Related Parties than those normally available to the public and not to the detriment of minority shareholders ("2014 Shareholders' Mandate").

The 2014 Shareholders' Mandate shall lapse at the conclusion of the forthcoming Fifty-Third AGM of the Company scheduled on 26 April 2016 unless a new mandate for RRPT is obtained from the shareholders at the AGM.

The Board of Directors ("Board") of DLMI has on 23 February 2016 announced its intention to seek shareholders' approval for renewal of the 2014 Shareholders' Mandate for the Recurrent Related Party Transactions with the Related Parties as set out in Section 2.1.3 of this Circular.

The purpose of this Circular is to provide you with the relevant details of the Proposed Mandate and to seek your approval for the resolution thereto to be tabled at the forthcoming AGM, which will be held at Atlanta Ballroom, Level 3, Hotel Armada, Lorong Utara C, Section 52, 46200 Petaling Jaya, Selangor Darul Ehsan, on Tuesday, 26 April 2016 at 10.00 a.m.

2. DETAILS OF PROPOSED MANDATE

2.1 Proposed Renewal of Shareholders' Mandate

2.1.1 Provisions under the Listing Requirements

Pursuant to paragraph 10.09 of Chapter 10 of the Listing Requirements, the Company may seek a shareholders' mandate for Recurrent Related Party Transactions of a revenue or trading nature which are necessary for its day-to-day operations subject to the following:

- (i) the transactions are in the ordinary course of business and are on terms not more favourable to the Related Parties than those generally available to the public;
- (ii) the shareholders' mandate is subject to annual renewal and disclosure is made in the Annual Report of the aggregate value of such transactions conducted pursuant to the shareholders' mandate during the financial year; and
- (iii) in a meeting to obtain shareholders' mandate, the interested Director, interested major shareholder or interested person connected with such Director or major shareholder; and where it involved the interest of an interested person connected with a Director or major shareholder, such Director or major shareholder must comply with the requirements set out in paragraph 10.08(7) of Chapter 10 of the Listing Requirements.

The Proposed Mandate will, if approved by shareholders at the forthcoming AGM, be subject to annual renewal. In this respect any authority conferred by the Proposed Mandate shall only continue to be in force until:

- (a) the conclusion of the next AGM of the Company, at which time it will lapse, unless by a resolution passed at the meeting, the authority is renewed; or
- (b) the expiration of the period within which the next AGM of DLMI subsequent to the date it is required to be held pursuant to Section 143(1) of the Act (but shall not extend to such extension as may be allowed pursuant to Section 143(2) of the Act); or
- (c) revoked or varied by a resolution passed by the shareholders in a general meeting;

whichever is earlier.

The Proposed Mandate shall apply in respect of all Recurrent Related Party Transactions to be entered into from the date of the forthcoming AGM to the next AGM as stipulated in the ensuing section.

In making the disclosure of the aggregate value of the Recurrent Related Party Transactions conducted pursuant to the 2014 Shareholders' Mandate, the Company has provided a breakdown of the aggregate value of the Recurrent Related Party Transactions entered into during the financial year in the 2015 Annual Report, based on the following information:

- (i) the type of the Recurrent Related Party Transactions made; and
- (ii) the names of the Related Parties involved in each type of the Recurrent Related Party Transactions entered into and their relationship with the RFC Group.

Shareholders are advised to refer to Note 23 on Related Party Transactions in the financial statements of the Company for the year ended 31 December 2015 enclosed in the 2015 Annual Report.

[The remainder of this page is deliberately left blank]

2.1.2 Business of the Company

DLMI is seeking approval from the shareholders for a shareholders' mandate for the Recurrent Related Party Transactions that will allow the Company, in their normal course of business, to continue to enter into the categories of Recurrent Related Party Transactions with the Related Parties referred to in the ensuing section.

DLMI manufactures and imports for distribution a wide range of dairy products, such as specialised powders for infant and growing children, liquid milk in different packaging formats and yoghurt. DLMI markets these products under various brand names such as "Dutch Lady", "Dutch Lady PureFarm", "Dutch Baby Langkah 1", "Dutch Baby Langkah 2", "Dutch Lady Curious", "Dutch Lady Explore", "Dutch Lady Create", "Dutch Lady Learn", "Frisolac", "Friso", "Frisomum" and "Friso Comfort".

RFC owns 50.96% equity interest in DLMI through FCI and FCDM. RFC is a multinational company with its headquarters located in the Netherlands, that develops, produces and sells a wide range of dairy products and fruit based drinks for the consumer market, professional users and food manufacturers worldwide.

It is anticipated that the Company would, in the ordinary course of business, enter into Recurrent Related Party Transactions that are detailed in Section 2.1.4 below. It is likely that such transactions will occur with some degree of frequency and could arise at any time.

In view of the time-sensitive, confidentiality and frequent nature of such Recurrent Related Party Transactions, the Board of Directors of DLMI is seeking shareholders' approval for the Proposed Mandate for DLMI to enter into transactions in the normal course of business within the classes of Related Parties set out in Section 2.1.3 below. The Recurrent Related Party Transactions will also be subject to the review procedures set out in Section 2.1.6 below.

[The remainder of this page is deliberately left blank]

2.1.3 Class of Related Parties

FCF(T)	Manufacture and sale of dairy products.	RFC is a multinational company with worldwide operations that is carried out through its subsidiaries where it has direct and indirect shareholdings. This group of companies is referred to as RFC Affiliated Companies.

2.1.4 Nature of Recurrent Related Party Transactions and Estimated Values

The Proposed Mandate will enable DLMI to undertake transactions with its related parties. The transactional values of the Proposed Mandate and the actual value of each Recurrent Related Party Transaction from the date on which the 2014 Shareholders' Mandate (which was obtained on 27 May 2015 to 29 February 2016, being the latest practicable date before the printing of the Circular), as disclosed in the Circular to Shareholders dated 1 April 2016, are as follows:

Related Party	Nature of Transactions	#Estimated values of transactions from 27/4/2016 to the next AGM RM '000	Last mandate transactions as disclosed in the preceding circular RM '000	Actual value transacted from 27/5/2015 up to 29/2/2016 RM '000
Purchases by DLMI				
FCN	Purchase of fully packed dairy products and raw materials.	465,000	465,000	153,462
FFI	Purchase of fully packed dairy products and raw materials.	90,000	90,000	38,584
FC(T)	Purchase of fully packed dairy products and raw materials.	5,000	5,000	-
FCA	Purchase of fully packed dairy products and raw materials.	120,000	120,000	35,463
Sales by DLMI				
FC(N)	Sale of fully packed dairy products and raw materials.	20,000	10,000	5,469
FC(S)	Sale of fully packed dairy products.	31,500	31,500	11,793
Services received by DLMI				
FCN*	Know-How, trademark license and management support fees.	50,000	50,000	19,356
FCDM	Corporate fees.	145	145	54
FCN	Shared ICT and communication services.	17,500	17,500	4,588
Services provided by DLMI				
FCSCAP	Shared services.	350	325	193

The values are estimates based on the budgets and forecasts prepared by the Company from the conclusion of the forthcoming AGM of the Company to be held on 26 April 2016 until the conclusion of the next AGM of the Company in 2017. Due to the nature of transactions, the actual value of transactions may vary from the estimated value disclosed above and will be disclosed in the Annual Report of the Company in respect of financial years ending 31 December 2016 and 2017 respectively.

* Previously, the shareholders' mandate was obtained under Friesland Brands B.V. ("FC(B)"), for which pursuant to an internal corporate restructuring of the RFC Group, the business of FC(B) had been merged with FCN with effect from 1 January 2016.

None of the actual values of the Recurrent Related Party Transactions has exceeded the estimated value by 10% or more.

Purchases of dairy raw materials alternate between related and third party suppliers depending on negotiated contracts, prevailing world market prices at the material time, delivery schedules and availability of raw material stocks with different suppliers. During the period, the Company's total purchase of dairy raw materials from the RFC Group was lower than expected.

2.1.5 Outstanding Amount Due under the Recurrent Related Party Transactions

The breakdown of the principal sum (non-interest bearing) for the total outstanding amount due to the Company under the Recurrent Related Party Transactions which exceeded the credit terms as at 31 December 2015 is as follows:

No	Related Party	Outstanding Amount (RM'000)			
		1 year or less	More than 1 year to 3 years	More than 3 years to 5 years	More than 5 years
1.	FC(S)	1,361	-	-	-

There are no late payment charges imposed on the outstanding amounts as they are trade in nature. The Company continuously follows up with the debtor for timely settlement of outstanding amounts. The Board of Directors is of the opinion that there is no recoverability issue as the debtor is a related party with a long standing relationship with the Company and has proven to be creditworthy with a good payment record.

2.1.6 Disclosure and Review Procedures for Recurrent Related Party Transactions

There are procedures established by the Company to ensure that Recurrent Related Party Transactions are undertaken on an arms' length basis and on normal commercial terms consistent with the Company's usual business practices and policies and will not be prejudicial to the Company's shareholders. The procedures are as follows:

- (a) A Related Party Transaction Review Committee ("RPT Review Committee") was established to review all Recurrent Related Party Transactions and, should it arise, any related party transaction, whereby such transactions would be reviewed periodically.
- (b) All Recurrent Related Party Transactions which are entered into pursuant to the shareholders' mandate obtained at the last AGM convened will be recorded by the Company in a register or records maintained by the Company.
- (c) All Recurrent Related Party Transactions will then be reviewed by the Audit Committee. Any member of the Audit Committee may, as he deems fit, request for additional information pertaining to the transaction including from independent sources or advisors.
- (d) Upon direction from the Audit Committee, the annual internal audit plan shall incorporate a review of all Recurrent Related Party Transactions entered into pursuant to the shareholders' mandate obtained to ensure that the relevant approvals have been obtained and any related party transaction and the review procedures in respect of such transactions are adhered to; and
- (e) The Management of the Company will update the Board and the Audit Committee on the status of all Recurrent Related Party Transactions including any related party transaction to ensure that all the review procedures established to monitor Recurrent Related Party Transactions and Related Party Transactions have been complied with.

Wherever practicable and/or possible, at least two other contemporaneous transactions with unrelated third parties for substantially similar products or services and/or quantities will be used as comparison to determine whether the price and terms

offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties, bearing in mind market forces for the demand and supply of the products or services and its impact on pricing, quality, delivery schedules, preferential terms and conditions, and on the urgency that the goods or services are required.

In the event that quotations or comparative pricing from unrelated third parties cannot be obtained for the proposed transactions, the transaction price will be reviewed by the RPT Review Committee based on their knowledge of industry norms to ensure that the Recurrent Related Party Transactions are not detrimental to the Company.

There is no specific threshold for approval of Recurrent Related Party Transactions. All Recurrent Related Party Transactions are reviewed and/or executed by senior management in the Company, provided always that such individuals have no interest in the transaction and the said transaction has been approved pursuant to the shareholders' mandate obtained at an AGM for Recurrent Related Party Transactions.

The Audit Committee will review and ascertain whether the guidelines and procedures established to monitor related party transactions, including the maintenance of proper records, have been complied to ensure that (i) the related party transactions are conducted at arm's length and on normal commercial terms, and (ii) such transactions are not prejudicial to the interests of the shareholders.

Further, where any Director or person connected with them has an interest (direct or indirect) in any related party transactions, such Director (or his alternate, where applicable) or person connected with them shall abstain from voting on the matter. Where any member of the Audit Committee is interested in any transaction, that member shall abstain from voting on any matter relating to any decisions to be taken by the Audit Committee with respect to such transactions.

In a meeting to obtain the Proposed Mandate, an interested Director, interested major shareholder or interested persons connected with a Director or major shareholder; where it involves the interest of an interested person connected with a Director, major shareholder or persons connected to them, shall abstain from voting on the resolution approving the transactions.

The Proposed Mandate, if approved at the forthcoming AGM, shall continue to be in force until the next AGM of the Company. Thereafter, shareholders' approval will be sought for the renewal of such mandate at each subsequent AGM, subject to a satisfactory review by the Audit Committee of its continued application to Recurrent Related Party Transactions.

2.1.7 Statement by the Audit Committee

The Audit Committee has the overall responsibility of determining whether the procedures for reviewing all related party transactions are appropriate to ensure that the Recurrent Related Party Transactions are within the limits approved pursuant to the Proposed Mandate. The Audit Committee conducts the review of these procedures at least once a year.

The Audit Committee has reviewed the terms of the Proposed Mandate and is satisfied that the review procedures for related party transactions, as well as the annual review of all the Recurrent Related Party Transactions made for the financial year ended 31 December 2015 in relation to the existing shareholders' mandate for Recurrent Related Party Transactions, are sufficient to ensure that related party transactions are monitored, tracked and made at arm's length and in accordance with the Company's normal commercial terms, and hence, are not prejudicial to the interests of shareholders or disadvantageous to the Company.

[The remainder of this page is deliberately left blank]

3. RATIONALE OF THE PROPOSED MANDATE

The Proposed Mandate will enable the Company to enter into related party transactions described in Section 2.1.4 above with the classes of Related Parties that are in the normal course of the Company's business. As such transactions may occur with some degree of frequency, the Proposed Mandate will eliminate the need for the Company to seek the shareholders' approval as and when potential transactions with the specified classes of Related Parties arise, thereby reducing substantially the administrative time, inconvenience and costs associated with the convening of such meetings without compromising the corporate objectives and adversely affecting the business opportunities available to the Company.

The Recurrent Related Party Transactions, as outlined in Section 2.1.4, are carried out at arm's length basis and on normal commercial terms not prejudicial to the interest of the shareholders and on terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.

The Proposed Mandate is vital in ensuring the viability of the Company's business by continuing its association with the RFC Group. In return, the Company has an obligation to the Group to market products using its brands.

The Company has a Trademark Licence Agreement and Know-How Licence Agreement with FCN (formerly known as FB(N)). These agreements would enable the Company to continue the right to manufacture, market and distribute the brands and the products as mentioned below as well as enjoy the technical assistance and know-how provided by RFC Group to the Company on an on-going basis.

The Proposed Mandate is fundamental to DLMI's continuing status as the sole licensee in Malaysia for the use of the RFC Group's highly visible and strong brands such as "Dutch Lady", "Dutch Lady PureFarm", "Dutch Baby Langkah 1", "Dutch Baby Langkah 2", "Dutch Lady Curious", "Dutch Lady Explore", "Dutch Lady Create", "Dutch Lady Learn", "Frisolac", "Friso", "Frisomum" and "Friso Comfort". These brands are synonymous with quality dairy products worldwide.

Since incorporation, DLMI has been given the exclusive use of the RFC Group's trademarks in Malaysia. In addition, DLMI uses the registered trademarks on its advertising and packaging materials, promotional campaigns and printed matter to maximise the values attached to these trademarks. The trade name "Dutch Lady" is also allowed by the RFC Group to be used as the Company's name.

As manufacturers and distributors of a wider range of dairy and dairy-related products, DLMI has to import most of its dairy raw materials from overseas as only a negligible amount of fresh milk is available locally. The RFC Group, being one of the world's largest and most reputable suppliers of dairy ingredients, also supplies raw, semi-finished or finished products to DLMI.

In addition, the RFC Group produces and markets highly proprietary and technically superior dairy products throughout the world. These products are also sold in Malaysia via DLMI by special arrangement, in particular, specialised powders for infant and growing children.

As part of the RFC Group sourcing arrangement and to achieve better economies of scale, the sourcing of dairy raw material as well as fully packed dairy products is centrally arranged by FCN, being the sourcing arm for RFC Group. With this sourcing arrangement, approximately 72% of the total dairy raw and packaging materials as well as fully-packed dairy products purchased by the Company is sourced from the RFC Group.

Likewise for similar reasons, export opportunities to other related Parties are evaluated on a continuing basis and potential transactions with the specified classes of Related Parties are included in this Proposed Mandate.

DLMI has derived considerable commercial benefits from its continuing relationship with the RFC Group, who has helped the Company develop over the years to its present full range of quality dairy products that include infant formula, growing up milk, powdered milk, UHT milk, sterilised milk, pasteurised milk and yoghurts.

This has been possible through the RFC Group's valuable proprietary formulation, technical know-how, innovations and superior research and development relating to the manufacture of dairy products as well as extensive supply chain and commercial experience in the marketing and distributing of such products. This has enabled the Company to continuously improve its production as well as its marketing and selling processes.

In addition, the RFC Group provides full support to DLMI on Business and Marketing development, Trade Marketing, Supply Chain Management, Human Resource Management, Treasury, Food Safety and Dairy Affairs, Quality Control, Internal Audit, Sourcing/ Purchasing Services, Operations Management and ICT.

FCN provides the RFC Group (including DLMI) with shared and ICT project management and communication services for RFC Group's regional SAP and ICT framework via FCSCAP, a Multimedia Super Corridor status company located in Malaysia. The Company, also benefits from ICT and related expertise available from the RFC Group.

DLMI, in turn, provides FCSCAP with shared services support in accounting, human resources, administrative, legal and company secretarial services.

4. FINANCIAL EFFECTS OF THE PROPOSED MANDATE

The Proposed Mandate will not have any effect on the share capital of DLMI and will not have any financial effects on the gearing, earnings or the net assets of DLMI.

5. CONDITIONS TO THE PROPOSED MANDATE

The Proposed Mandate is conditional upon the approval of the shareholders of the Company being obtained at the forthcoming AGM to be convened.

6. DIRECTORS' AND MAJOR SHAREHOLDERS' INTEREST

6.1 Proposed Mandate

None of the Directors or major shareholders of DLMI and/or persons connected to them have any interest, direct or indirect, in the Proposed Mandate pertaining to the Recurrent Related Party Transactions, save and except for the following:-

- (i) Piet Johannes Hilarides, Saw Chooi Lee and Pieter van der Hoek are the Board representatives of RFC in DLMI. As such, they are deemed interested in the Proposed Mandate.
- (ii) FCDM, a major shareholder holding 50.96% equity interest in DLMI as at 29 February 2016, is wholly-owned by FCI, which in turn is a wholly-owned subsidiary of RFC, is deemed interested in the Proposed Mandate pertaining to the Recurrent Related Party Transactions as stated in Section 2.1.4.

As at 29 February 2016, none of the Directors have any direct or indirect shareholdings in the Company. The direct and indirect shareholdings of the major shareholders and persons connected to DLMI as at 29 February 2016 are as follows:

Name of Interested Shareholder	Direct Interest	%	Indirect Interest	%
FCDM	32,614,800	50.96	-	-
FCI	-	-	32,614,800	50.96
RFC	-	-	32,614,800	50.96

Piet Johannes Hilarides, Saw Chooi Lee and Pieter van der Hoek are representatives of RFC and are deemed interested by virtue of RFC being the holding company of FCI, who in turn is the holding company of FCDM, which is the major shareholder of DLMI, holding 50.96% of the equity interest in DLMI. Accordingly, the interested Directors have and will

continue to abstain from Board deliberations pertaining to the Proposed Mandate. In addition, the interested Directors will abstain from voting in respect of their direct and indirect shareholdings, if any, in DLMI on the ordinary resolution pertaining to the Proposed Mandate at the forthcoming AGM of DLMI to be convened. The interested Directors shall undertake to ensure that the persons connected with them shall abstain from voting on their direct and/or indirect shareholdings on the ordinary resolution pertaining to the Recurrent Related Party Transactions at the forthcoming AGM.

FCDM will abstain from voting in respect of its direct shareholdings in DLMI in the ordinary resolution on the Proposed Mandate at the forthcoming AGM. FCDM shall ensure that persons connected with it will abstain from voting on the resolution approving the Recurrent Related Party Transactions.

7. DIRECTORS' RECOMMENDATION

Accordingly, your Directors, (except for Piet Johannes Hilarides, Saw Chooi Lee and Pieter van der Hoek who are deemed interested in the Proposed Mandate) recommend that you vote in favour of the resolution pertaining to the Proposed Mandate to be tabled at the forthcoming AGM of the Company.
